Alexandria, VA 22313-1450

Dear Sir:

The Applicant, supplementing the earlier IDS, hereby brings to the attention of the examiner the five Japanese language publications with their English language abstracts as noted on the accompanying Form PTO-SB/08. Copies are provided. This submission is timely in that it is made with a certification following a first action on the merits but before a final action or allowance. This application, insofar as understood, is awaiting further action from the examiner responsive to the compliant amendment submitted on June 21, 2007.

This will certify that each item of information in its original Japanese language format as contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these JP Publications were noted in an Action dated June 5, 2007 in a corresponding application in Japan. A copy of a translation of the JP Action is included so that the relevance of the cited documents can be seen.

Please take these publications into account in a further examination of this application and make their consideration of record.

Should additional fees be necessary in connection with the filing of this paper or if a Petition for Extension of Time is required for timely acceptance of the same, the Commissioner

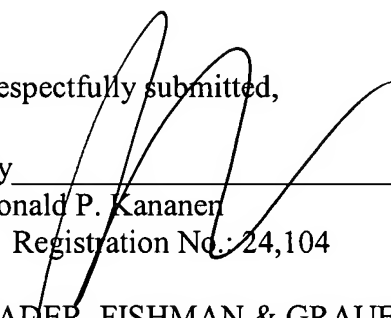

Application No.: 10/825,103

Docket No.: SON-3000

is hereby authorized to charge Deposit Account No. 18-0013 for any such fees and Applicant(s) hereby petition for such extension of time.

Dated: September 5, 2007

Respectfully submitted,
